

## Want to crack open the rod tube and let that line fly? (Practice casting if you want to)

### **OBTU Get Togethers:**

**Tuesday Evenings at Oak Brook Recreation Center Central Park West, and**

**Sunday mornings on water at Clark Island park on the Fox River in Batavia.**

How does Tuesday nights or Sunday mornings sound to you? Come out and cast your fly rod or just sit around and shoot the Bull with OBTU'ers. Grab a lawn chair and bring your favorite beverage and enjoy the outdoors in the park or on the river.

This is really just your excuse to get out of the house. If you want to bring your favorite rod or dust off an old fly rod that you don't fish with anymore, feel free. Of course, we diehards will be slinging lines all over the place and casting help will be available if you are new to the sport or need some pointers. A limited amount of equipment will be available. Since we haven't met in person since forever, this is an opportunity to stop by and see what everyone is up to, stretch out a fly line or talk about fishing during the summer.
